

The Future of Sales is Agentic

Deploy SDRs and multiple AI agents with Polluxa CRM. Scale workflows, ensure data privacy, and convert leads faster in one cloud platform.

Start Today

Key Features

Autonomous SDR Agent

Automating 85% of SDR grunt work so humans only show up to qualified conversations.

85%

Research

100% of new leads researched before outreach

Speed

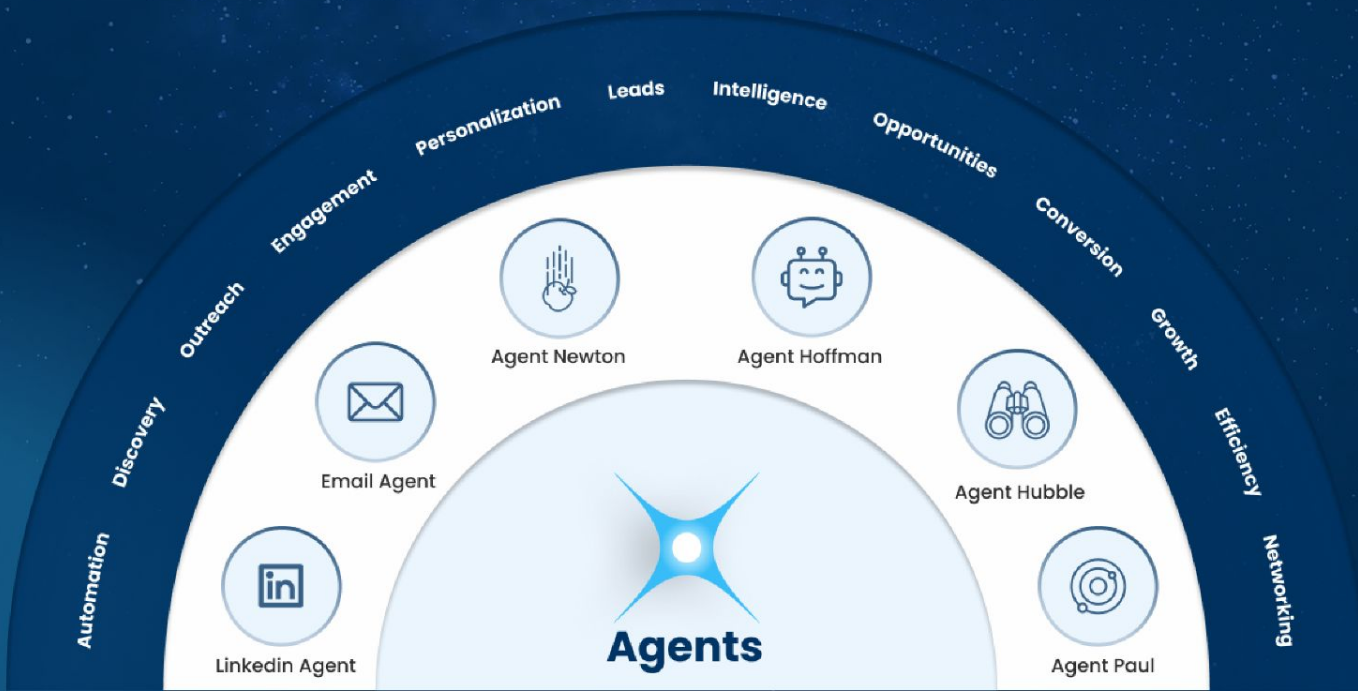

Lead-to-research trigger reduced from 42 hours to < 5 minutes

Output

Targets a 3x increase in booked meetings per human SDR per week

Agents

LinkedIn Agent

You Hired a Human for this . You don't have to anymore

Sure -Shot DM's

- Highly targeted messaging
- High acceptance rates
- Dms that start real Conversations

Booked Meetings (Calendar Ready Leads)

Pre-Qualified Leads Delivered Directly to Your Calander

Pipelines filled (Massive Scale)

Handles 1000's of leads
Simultaneously
never sleep

Conversations & Closings (Agent to Human)

Warm Leads Handed off .
Directly to your human
Relationship Built

Email Agent

Autonomous Conversations that move deals forward

Email Agent Step by Step Flow

Extract Verified Contacts

Monitor Alerts of Company Funding Events

Identify Stake Holders

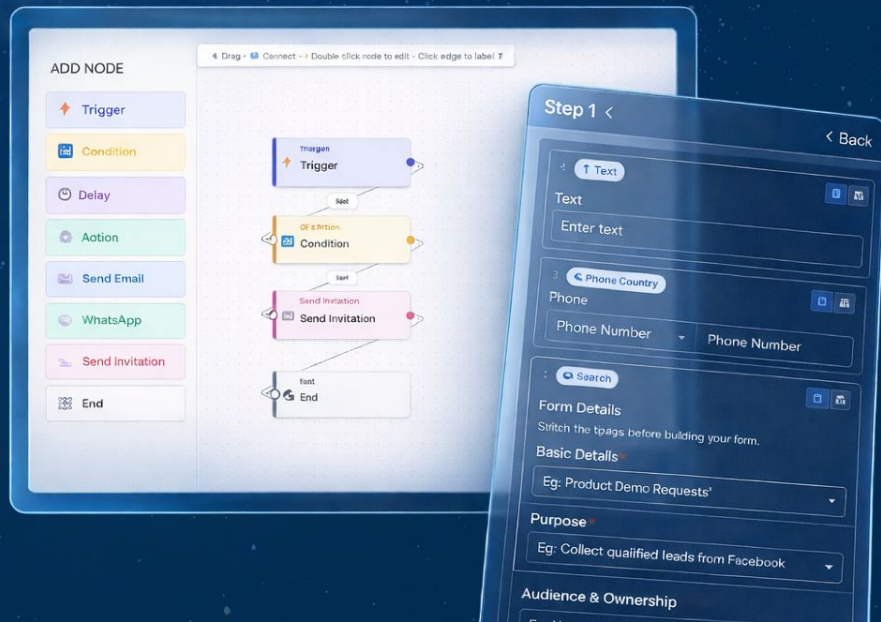

Track Hiring

Workflow

Build Complex routing logic
without writing a single line
of code

- ✔ Drag and drop automation
- ✔ Zero-Touch Ingestion
- ✔ Instant Routing
- ✔ No-Code Workflow Builder
- ✔ Smart Lead Capture
- ✔ Real-Time Automation
- ✔ Seamless Data Flow

The image displays the Polluxa workflow builder interface. On the left, an 'ADD NODE' panel lists various automation components: Trigger, Condition, Delay, Action, Send Email, WhatsApp, Send Invitation, and End. The central workspace shows a visual flowchart with nodes connected by arrows, starting with a Trigger node, followed by a Condition node, then a Send Invitation node, and finally an End node. On the right, a mobile device screen shows 'Step 1' of a form with fields for Text, Phone Country, and Search, along with instructions for building the form.

Contact Management

Every contact from your phone, Gmail, Outlook, spreadsheets, LinkedIn, and Apollo – unified in one place.

The interface features a top navigation bar with 'Browse, search, and manage contacts', 'Export', 'Create Contact', and 'Import Contacts' buttons. Below this are tabs for 'All Contacts', 'My Contacts', and 'Contact List'. A search bar contains 'anmol'. A table lists contacts with columns for Name, Remarks, ID, Title, Call Remark, and Call Status. A 'Add New Contact' form is overlaid on the left, with fields for Contact Information, Email, Product Tags, and Social Media. Three circular callouts highlight the Outlook, LinkedIn, and Google Sheets icons used for importing contacts.

Deal Management

Track every deal from pipeline to closure.

- ✔ Automatically prioritize high-potential deals
- ✔ Track every deal from pipeline to closure
- ✔ Get clear visibility into deal progress
- ✔ Focus on opportunities that matter most
- ✔ Stay updated with real-time deal insights

The image displays two overlapping screenshots of the Polluxa Deal Management interface. The top screenshot shows a 'Deal List' with a search bar and a table of deals. The bottom screenshot shows the 'Create New Deal' form with various input fields.

NOTES

B I U

The lead import email does not specify what I am supposed to do exactly.

Meeting Scheduler

Turn availability into booked meetings. Sync with Google & Outlook.

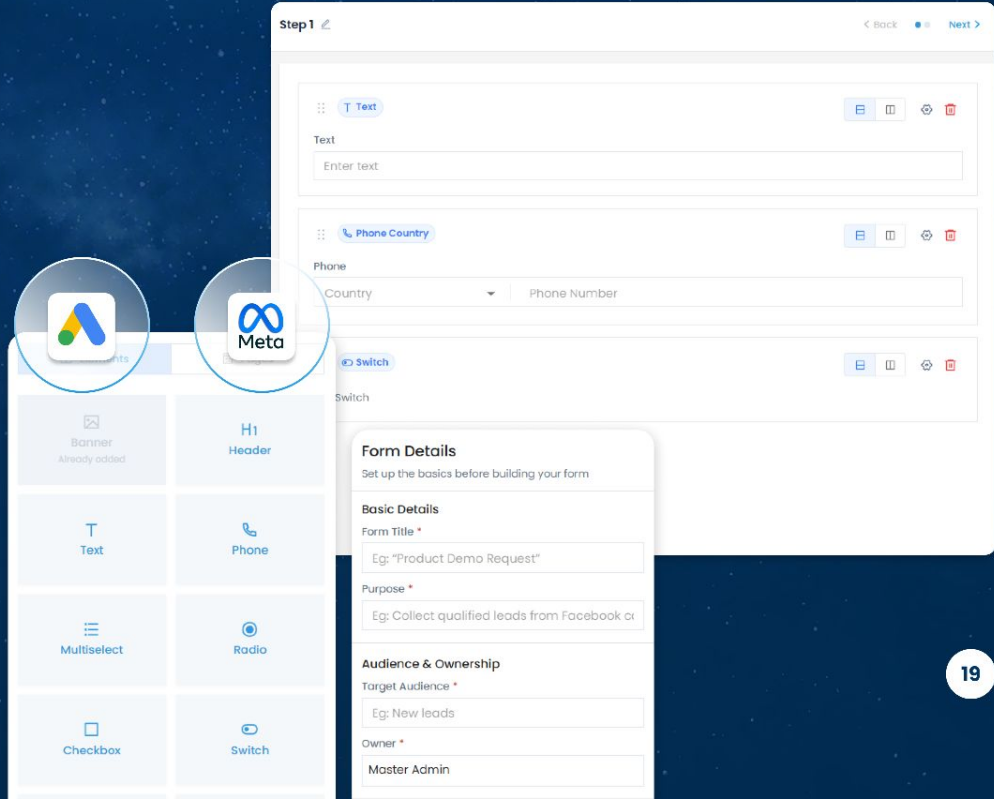

The interface is divided into several sections:

- Your Events Types:** A list of event types, each with a duration and a link to create a meeting. For example, "30 Minute Call" with a link "https://meet.google.com/xyz-123-456".
- Select Availability:** A modal window showing a weekly calendar where days and time slots can be selected or marked as unavailable. Days are Sunday through Saturday. Time slots range from 08:00AM to 05:00PM.
- Calendar:** A monthly calendar for July 2025. The 14th is highlighted in blue, indicating the selected date for the meeting.
- Meeting Details Form:** A form to create a meeting manually. It includes fields for:
 - Time Zone:** Select Time Zone
 - Time Duration:** Select Time Duration
 - Availability Window:** A calendar view showing the selected date (14th).
 - Select Slot:** A grid of time slots. The selected slot is "04 PM - 06 PM".
 - Basic Details:** Meeting Name (Eg: Business Meet), Organizer (select Organizer), Meeting Type (Select), and a checked checkbox for "Cancel & Reschedule".
 - Scheduling:** Scheduling Title (Eg: Meet with Rohit), Email* (Eg: rohit@gmail.com), and Description (Body Text).

Forms

Capture leads instantly with smart, shareable forms integrated with Meta Ads and Google Ads.

The image displays the Polluxa form builder interface. On the left, a grid of form elements is shown, including Banner, H1 Header, Text, Phone, Multiselect, Radio, Checkbox, and Switch. Two circular callouts highlight the Google Ads and Meta logos. The main area shows a form editor with a 'Step 1' header and navigation buttons. The form contains three fields: a Text field, a Phone field (with Country and Phone Number sub-fields), and a Switch field. A 'Form Details' panel is open, showing fields for Form Title, Purpose, Target Audience, and Owner.

4+ Million Company Data

The screenshot displays a web interface for managing company data. At the top, there are tabs for "All Companies", "My Companies", and "Company List". Below the tabs is a search bar with the placeholder text "Search by name, email, phone, designation". To the right of the search bar are buttons for "Filter", "Select All Pages", and a settings icon. Below the search bar is a table with the following columns: Company Name, ID, Contact Person, Company Website, Employees, Industry, Country, and Annual Revenue. The table contains several rows of data, including companies like "Haladir", "Invisidal", "Mantisbiotech", "Voltairlabs", "Oxus-ai", "Gruspace", "Travo", "Bidflow", and "Velum Labs". A profile popup is overlaid on the table, showing a profile for "Divyanshi" with a blue circular avatar containing the letter "D". The profile information includes "Seniority: Not Available", "Gravity", and the email address "divyanshisoni0812@gmail.com". Below the profile information are two buttons: "Email" and "Whatsapp".
